Zumba® – Zumba® combines high energy and motivating music with unique moves and combinations that allow the participants to dance away their worries & 500-700 calories. It is based on the principle that a workout should be "FUN AND EASY TO DO" in order for Zumba® participants to stick to the Zumba® fitness program to achieve long-term health benefits. Zumba® is not only great for the body, but is also great for the mind. It is a "feel-happy" workout. . .be prepared to sweat!

Intro / Zumba® – Intro Zumba® is the class for anyone and everyone! Learn the basic steps to Zumba® at a slower, more modified pace. This class is perfect for anyone of any age... those with special needs, medical restrictions, or those who just want the absolute basics. The class instructor may include breaks in the class between routines to explain steps or proper form. Those wishing to stay at this level to enjoy a low-impact slower workout will love this class

Beginner / Zumba® – Zumba® Beginner (Gold) is a series of fitness programs specifically designed to take the exciting Latin and International dance rhythms created in the original Zumba® and bring them to the active older adult, the beginner participant, and the other special populations that may need modifications for success.

Medio / Zumba® – Medio Zumba® is a specialized Zumba® class for those seeking a low-impact, high energy, fun workout! You will sweat off the pounds to the fun Latin beat while dancing and moving in a lower impact Zumba® style! This class is perfect for anyone who has learned the basics and wishes to get a bit more "oomph!" out of their workout while keeping it at a lower pace than a standard Zumba® class. Those wishing to stay at this level can enjoy a higher level calorie burn than Intro Zumba® or gradually transition to a basic Zumba® class. Bring your smiles and be prepared to have fun during this class!

Circuit / Zumba® – Circuit Zumba® = 50% Zumba® (cardio), 50% Body Sculpting (weights). Alternating cardio & strength training throughout the hour.

Kid / ZUMBA® (& Me) – Same great fun and energy as an adult Zumba® class, but songs and movements are geared for kids. One (1) parent may attend class with their child for FREE, additional parent would be at the regular price. This is a 45 minute class. Suitable for ages 5 – 12.
